Piedmont Community Health Plan

2021 List of Covered Drugs

PLEASE READ: THIS DOCUMENT CONTAINS INFORMATION ABOUT THE DRUGS WE COVER IN THIS PLAN

Members should use network pharmacies to fill their prescription drugs to maximize your benefits. Please note that benefits, the drug list, the pharmacy network, and premium and/or copayments/coinsurance may change.

This document contains references to brand-name prescription drugs that are trademarks or registered trademarks of pharmaceutical manufacturers not affiliated with CVS Caremark. ©2017 CVS Caremark. All rights reserved. CVS Caremark Confidential Information.

What is the Piedmont Drug List?

A drug list is a list of covered drugs. It is sometimes called a formulary. Piedmont works with a team of healthcare providers to choose drugs that provide quality treatment. Piedmont covers drugs on our drug list when:

- the drug is medically necessary
- the prescription is filled at a Piedmont network pharmacy
- all other plan rules have been followed

For more information on how to fill your prescriptions, please review your plan document or other plan materials.

Can the Drug List change?

The drug list may change occasionally as described in your plan document or other plan materials. The following drug list is the most current drug list covered by Piedmont. To get updated information about the drugs covered by Piedmont, please visit www.PCHP.net, or call Member Services at 1-800-400-7247, from 8:30 a.m. to 5:00 p.m.

How do I use the Formulary?

There are two ways to find your drug within the formulary:

1. **Alphabetical Listing**

   If you are not sure what category to look under, you should look for your drug in the Index at the end of the list. The Index provides an alphabetical list of all drugs included in this document. Both brand-name drugs and generic drugs are listed in the Index.

   - Look in the Index and find your drug.
   - Next to your drug, you will see the page number where you can find coverage information.
   - Turn to the page listed in the Index and find the name of your drug in the first column of the list.

2. **Medical Condition**

   The drugs in this formulary are grouped into categories by the type of medical conditions they are used to treat. For example, drugs used to treat a heart condition are listed under the category "Cardiovascular." If you know what condition your drug is used for, look for the condition in the list, then look within that category for your drug.

For more information about your Piedmont prescription drug coverage, see your plan document and other plan materials.

Piedmont's Drug List

The drug list that follows this introduction gives information about the drugs covered by Piedmont. A generic drug is approved by the FDA as having the same active ingredient as the brand-name drug. Generic drugs usually cost less than brand-name drugs but provide the same quality of treatment. Upon release of a generic drug to the market, the generic drug will **generally** be added to the formulary and the associated brand-name drug will be removed. However, some generic drugs do not cost less than brand-name drugs and may not be added to the formulary.

This document contains references to brand-name prescription drugs that are trademarks or registered trademarks of pharmaceutical manufacturers not affiliated with CVS Caremark. ©2017 CVS Caremark. All rights reserved. CVS Caremark Confidential Information.

106-29094A 092217

The first column of the chart lists the drug name. Brand-name drugs are capitalized (e.g., LIPITOR). Generic drugs are listed in lower-case italics (e.g., *atorvastatin*).

The information in the Requirements/Limits column tells you if Piedmont has any special requirements for coverage of your drug. These requirements and limits may include:

- **Prior Authorization:** You or your physician must get prior approval or authorization for certain drugs. This means that you will need to get approval from Piedmont before you fill your prescriptions. If you don't get approval, Piedmont may not cover the drug.

- **Quantity Limits:** For certain drugs, Piedmont limits the amount of the drug that it will cover. For example, Piedmont provides 30 per prescription for LETARIS. Piedmont also limits the amounts of drugs you may receive within a class of drugs. These classes have an "§" next to them on the drug list. For these classes, only one drug should be taken at a time for safety reasons. This may be in addition to a standard one-month or three-month supply.

- **Step Therapy:** In some cases, Piedmont requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, Piedmont may not cover Drug B unless you try Drug A first. If Drug A does not work for you, Piedmont will then cover Drug B. Additional step therapy content and criteria can be found throughout this document.

What if my drug is not on the Drug List?

If your drug is not on this drug list, call Member Services and ask if your drug is covered. If you learn that Piedmont does not cover your drug, you have two choices:

- You can ask Member Services for a list of similar drugs that are covered by our plans. When you get the list, show it to your doctor and ask him or her to prescribe a similar drug that is covered by Piedmont. Similar drugs that are preferred and covered by your plan's formulary may be easier to get and cost less than non-preferred drugs.

- You can ask Piedmont to make an exception and cover your drug. See below for information about how to request an exception.

How do I request an exception to the Drug List?

- Send us a statement from your prescriber stating your request. We will make our decision within 72 hours of receipt of the necessary information.
- You can ask for an expedited (fast) exception if you or your prescriber believe that your health could be seriously harmed by waiting up to three (3) business days for a decision.
- If your expedited (fast) request is granted, we will give you a decision no later than 24 hours after we get your prescriber's supporting statement.

This document contains references to brand-name prescription drugs that are trademarks or registered trademarks of pharmaceutical manufacturers not affiliated with CVS Caremark. ©2017 CVS Caremark. All rights reserved. CVS Caremark Confidential Information.

106-29094A 092217

How likely is it that I will get an exception?

Generally, Piedmont will only approve your request for an exception if the preferred drugs included on the plan's drug list, would:

- not be as effective in treating your condition
- cause you to have adverse medical effects

How do I find out if my exception is granted?

When you ask for a drug list Formulary Exception Request, please send a statement from your prescriber that supports your request. Then:

- We will make our decision within 72 hours of receipt of the necessary information.
- You can ask for an expedited (fast) exception if you or your prescriber believe that your health could be seriously harmed by waiting up to three (3) business days for a decision.
- If your expedited (fast) request is granted, we will give you a decision no later than 24 hours after we get your prescriber's supporting statement.

Piedmont's formulary includes the following tiering of medications:

0: Zero Cost Share Preventive Drugs

1: Generics

2: Preferred Brand

3: Non-Preferred Brand

4: Preferred Specialty Drugs

Please refer to your Policy Book and/or Schedule of Benefits for additional information on Prior Authorizations, Quantity Limits, Step Therapy, Exceptions Requests, and Drug Tier Cost Share associated with your plan.
