What is the Piedmont Drug List?

A drug list is a list of covered drugs. Piedmont works with a team of health care providers to choose drugs that provide quality treatment. Piedmont covers drugs on our drug list, as long as:

- The drug is medically necessary
- The prescription is filled at a PCHP network pharmacy
- Other plan rules are followed

For more information on how to fill your prescriptions, please review your plan document or other plan materials.

Can the Drug List change?

The drug list may change from time to time as described in the plan document or other plan materials. The enclosed drug list is the most current drug list covered by Piedmont. To get updated information about the drugs covered by Piedmont, please visit ***www.pchp.net***, or call Member Services at 1-800-400-7247, from 8:30 a.m. to 5:00 p.m.

How do I use the Drug List?

There are two ways to find your drug on the drug list:

1. Medical Condition

The drug list starts on page six. The drugs on this drug list are grouped by the type of medical conditions they are used to treat. For example, drugs used to treat a heart condition are listed under “Cardiovascular”.

- Then look under the category name for your drug

2. Alphabetical Listing

If you are not sure what category to look under, look for your drug in the Index that starts on page 129. The Index is an alphabetical list of all the drugs in this document. Both brand-name drugs and generic drugs are in the Index.

- Look in the Index and find your drug
- Next to your drug, see the page number where you can find coverage information
- Turn to the page listed in the Index and find the name of your drug in the first column of the list.

For more information about your Piedmont prescription drug coverage, please look at your plan document and other plan materials.

Piedmont's Drug List

The drug list set forth below gives information about the drugs covered by Piedmont. A generic drug is approved by the FDA as having the same active ingredient as the brand-name drug. Generic drugs usually cost less than brand-name drugs but provide the same quality of treatment. Upon release of a generic drug to the market, the generic drug will **generally** be added to the formulary and the associated brand drug will be removed. However, some generic drugs do not cost less than brand-name drugs and may not be added to your formulary.

The first column of the chart lists the drug name. Brand-name drugs are capitalized (e.g., LIPITOR). Generic drugs are listed in lower-case italics (e.g., *atorvastatin*).

The information in the Requirements/Limits column tells you if Piedmont has any special requirements for coverage of your drug. These requirements and limits may include:

- **Prior Authorization:** Piedmont needs you (or your doctor) to get prior approval or authorization for certain drugs. This means that you need to get approval from Piedmont before you fill your prescriptions. If you don't get approval, Piedmont may not cover the drug

- **Quantity Limits:** For certain drugs, Piedmont limits the amount of the drug that it will cover. For example, Piedmont provides 30 per prescription for Letaris. Piedmont also limits the amount of drugs you may receive within a class of drugs. These classes have an "§" next to them on the drug list. For these classes, only one drug should be taken at a time for safety reasons. This may be in addition to a standard one-month or three-month supply.

- **Step Therapy:** Piedmont needs you to try certain drugs as the first step to treat your medical condition before covering another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, Piedmont may not cover Drug B unless you try Drug A first. If Drug A does not work for you, Piedmont will then cover Drug B. Additional step therapy content and criteria can be found throughout this document

What if my drug is not on the Drug List?

If your drug is not on this drug list, call Member Services and make sure that your drug is not covered. If you learn that Piedmont does not cover your drug, you have two choices:

- Ask Member Services for a list of similar drugs that are covered by Piedmont. When you get the list, show it to your doctor and ask him or her to prescribe a similar drug that is covered by Piedmont. Similar drugs that are preferred and covered by your plan's formulary may be easier to obtain and lower cost to you than non-preferred drugs.

- Ask Piedmont to make a formulary exception and cover your drug. You can ask us to cover your drug even if it is not on our drug list.

How likely is it that I will get an exception?

Generally, Piedmont will only approve your request for an exception if the preferred drugs included on the plan's drug list, would:

- Not be as effective in treating your condition
- Cause you to have adverse medical effects

How do I find out if my exception is granted?

When you ask for a drug list Formulary Exception Request, please send a statement from your prescriber that supports your request. Then:

- We will make our decision within 72 hours of receipt of the information necessary to make a decision.
- You can ask for an expedited (fast) exception if you or your prescriber believe that your health could be seriously harmed by waiting up to three business days for a decision.
- If your expedited (fast) request is granted, we will give you a decision no later than 24 hours after we get your prescriber's supporting statement.

Piedmont's formulary includes the following tiering of medications:

0: Zero Cost Share Preventive Drugs

1: Generics

2: Preferred Brand

3: Non-Preferred Brand

4: Preferred Specialty Drugs

5: Non-Preferred Specialty Drugs

Please refer to your Policy Book and/or Schedule of Benefits for additional information on Prior Authorizations, Quantity Limits, Step Therapy, Exceptions Requests, and Drug Tier Cost Share that is associated with your plan.
